

LETTER OF APPOINTMENT

MEMORANDUM FOR BRETT WILHELM, FEDSIM PM

Subject: Appointment as Contracting Officer's Representative
Contract: GST0012AJ0036, Task Order GST0013AJ0036

You are hereby appointed as the Contracting Officer's Representative (COR). This appointment is from the award date through the life of Contract **GST0013AJ0036**, to include close out, unless rescinded or transferred. As the COR, your primary duty is to monitor the Contractor's performance to ensure that all of the technical requirements under the contract are met by the delivery date or within the period of performance, and at the price or within the ceiling stipulated in the contract.

In the performance of the duties delegated to you in this letter, you are cautioned that you could be held personally liable for actions taken or directions given by you to the Contractor that are beyond the authorities given to you in this letter. The duties or authorities in this letter are not re-delegable; therefore, you must advise the Contracting Officer or the Contract Specialist immediately when you are unable to perform these duties.

Your duties and limitations, as applicable to the contract you will be monitoring, are as follows:

MONITORING AND EVALUATING PERFORMANCE

Ensure that the Contractor complies with all of the requirements of the statement of work, specifications, or performance work statement. When requested by the Contractor, provide technical assistance within the scope of the contract (e.g., interpreting specifications, statement of work, performance work statement, etc.). When a difference of opinion between you and the Contractor occurs, notify the Contracting Officer and/or the Contract Specialist immediately for resolution.

If the contract requires Key Personnel, the COR shall ensure that the personnel being used by the Contractor meet the requirements of the position. Review and approve travel and other direct cost (ODC) prior to the Contractor incurring those expenses. Any decrease in or lack of performance shall be brought to the attention of the Contracting Officer and/or Contract Specialist.

If applicable and in accordance with FAR 42.302, the COR shall monitor contractor compliance with specifications or other contractual requirements requiring the delivery

or use of environmentally preferable products, energy-efficient products, products containing recovered materials, and bio-based products.

In accordance in Federal Acquisition Circular (FAC) 2005-34 and OMB Memorandum "Improving the Use of Contractor Performance Information" on July 29, 2009, CORs are responsible for entering past performance into the Past Performance Information Retrieval System (PPIRS) annually.

MONITORING COSTS

Review and evaluate the Contractor's progress in relation to the expenditures. When the costs expended by the Contractor are not commensurate with the Contractor's progress, request a meeting with the Contractor and client in an attempt to resolve. If a resolution cannot be found, bring this to the attention of the Contracting Officer and/or Contract Specialist for immediate action.

Review and approve invoices using the rates and other fees established in the contract. Review the Contractor's invoices/vouchers for reasonableness and applicability to the contract and recommend approval or rejection for payment.

CHANGES TO THE CONTRACT

You cannot authorize the Contractor to stop work, and you are not authorized to delete, change, waive, or negotiate any of the technical requirements or other terms and conditions of the contract. Should a change (monetary or otherwise) to the contract become necessary, it must be made by a contract modification issued by the Contracting Officer. When in doubt, contact the Contracting Officer and/or Contract Specialist.

Any contract change requested by the Contractor must be put in writing by the Contractor to the Contracting Officer for action. If, however, you become aware of an impending change, you should immediately advise the Contracting Officer or Contract Specialist. When the proposed change is received by the Contracting Officer, you will be required to provide the Contracting Officer with a written analysis and rationale for the change and to evaluate any costs associated with the change.

You must also recognize and report to the Contracting Officer any Government-required changes to the contract (e.g., items or work no longer required, changes in the specifications, etc.).

INSPECTION OF CONTRACT ITEMS

Perform, in accordance with the terms of the contract, inspection, acceptance, or rejection of the services or deliverables under the contract. The COR must prepare, in writing, a written acceptance or rejection, provide it to the Contractor, and store a copy on the FEDSIM common drive. Immediately notify the Contracting Officer of all rejections and the reason for the action.

Review progress reports from the Contractor and advise the Contracting Officer of any Contractor problems or action required to be taken by the Government.

STANDARDS OF CONDUCT AND CONFLICT OF INTEREST

To avoid improper business practices and personal conflicts of interest and to deal with their apparent or actual occurrences, the COR shall sign any applicable non-disclosure forms. The COR shall also immediately report any potential conflict of interest to their supervisor.

CONTRACT FILE CONTENT AND MAINTENANCE

Establish and maintain an organized contract administration file to record all Contractor and Government actions pertaining to the contract. The file must also include a copy of the COR Letter of Appointment and other documents describing the COR duties; a copy of the contract administration functions delegated to the contract administration office, which may not be delegated to the COR; and documentation of COR actions taken in accordance with the delegation of authority. The files should be organized and saved on the FEDSIM common drive.

CONTRACT CLOSEOUT

Within 30 days after the Contractor has met all terms and conditions of the contract, you must evaluate the Contractor's performance using the information contained in General Services Administration Regulation (GSAR) 542.1503-71 (sample format attached).

Please acknowledge receipt and acceptance of this appointment by signing below. Please direct any questions you may have on this delegation to the Contracting Officer or Contract Specialist.

I understand and accept my assignment as the Contracting Officer's Representative (COR) and that my duties as COR under this contract ends when the Task order is closed, or COR duties are revoked by the Contracting Officer.
